

Porscheshop Manx tour 20th. To 23rd. May 2016

Those of you who went to last years event will be please to hear that we have not only retained the exclusive use of the Ramsey Park Hotel but there is very little change to the cost of the event. It has in fact gone up by £10.

For those of you who have never visited the 'Island' you will be in for a surprise. It has some of the most stunning scenery in the British Isles from Mountain vistas to sandy coves. For the driver one of the great features is a lack of maximum speed limit on roads away from towns and villages. You can use your Porsche in the way it was intended.

For those wishing to get away from the roads there is much to see. You can watch Seals and Dolphins at play, visit ancient monuments and Castles that have not been ruined by warfare. There steam trains and a mountain railway to ride, museums to visit and the scenery.

Itinerary.

Friday 20th. May. Arrive by ferry to Douglas and drive to Ramsey in the North of the Island.

In the evening there will be a reception with a glass of wine and a buffet.

Saturday 21st.. May. Rise early for the traditional 'Dawn Raid'. This will be different to previous Dawn Raids as we will be starting in Ramsey and driving the T.T. Mountain circuit as far as 'Creg- ny- Baa where we will stop for a short time before returning over 'The Mountain' to Ramsey for breakfast.

Sunday 22nd.. May The second Dawn Raid. The reason for two Dawn Raids are (1) You can't get too much of a good thing and (2) In case the weather stops us on the Saturday.

Most of the day will be free to tour the Island before returning to the hotel for the Gala Dinner in the evening.

Monday 23rd.th. May. For those of you not on the Dawn boat, a leisurely breakfast, more sight seeing and embarkation for the trip home.
